Dear Dr. Falconer: -

I am in receipt of your favor of the 23rd inst., and regret that you will be unable to be with us on the evening of the 9th of September. However, I realize that you are a very busy person at the present time, and somewhat anticipated your reply to my previous communication.

Dear Dr. Falconer:-

Your favor of the 3rd. inst. to hand re meeting of above Society on September 9th, and I may explain that we have to engage our Lecturers not later than two weeks previous to each meeting, as under the rules of our Constitution five days notice in writing is given to each member of the Society, and I have to have the necessary information in the Printer's hands in time to have notices printed and mailed, in accordance therewith.

Enclosed please find general form of notice which is mailed to each member, and which will explain itself.

Thanking you for your desire to accommodate us, and hoping that you will be with us at our next meeting.

Dear Mr. Ballantyne:

I cannot be with you, I am afraid, at the end of October, but perhaps I may be able to address the Society on the last Thursday of November; at any rate I am now reserving the evening so that unless something more important should intervene I will endeavour to be with you on that occasion.

Yours sincerely,

President.

Kindly let me know, if possible, under what heading you will speak.

Dear Dr. Falconer,

I take this opportunity of reminding you of the meeting of the above Society to be held on Thursday evening November 11th at 8 pm. at 22 College Street, and hope you will be able to be present as arranged.

Not having heard from you regarding the nature of your "Address," I have, on the notices sent to the members, adopted the "Heading" "Scotland," which being, in a literary sense, a general term of "Address," won't interfere with any particular subject under which you may speak.

Yours sincerely,
D. H. S. Ballantyne,
Secretary.
